Ridgeview Park
Davenport, Iowa

Dear Mrs. Ruback:

I'm sorry about the delay in writing you the information about the books being bought with the Ridgeview library fund money, but getting ready to leave has brought up a lot of details that had to be taken care of.

We haven't been so slow, however, about getting the material into the library. There is a group of very fine pamphlets with a great deal of illustrated material included which we have found most helpful in work with the teachers and school children of the county. STORY OF AMERICA and LIFE IN OTHER LANDS are the two which were bought with the fund money. The price of one set is $27.60; the other, $36.50 making a total of $64.10. I couldn't come any closer with anything that will be more appreciated or more useful in the library, I am sure.

Unfortunately, the book plates have not come yet, but they will.

Make check payable to the Scott County Library, please.

Yours very truly,

Elizabeth B. Page
Librarian
